Steelcorp Building Systems is offering the new Steelcorp Settler. The steel manufactured Steelcorp Settler is ideal for the use of a:

- ✓ Studio
- ✓ Sleep out
- ✓ Office
- ✓ Workshop
- ✓ Weekender
- ✓ Farm Building
- ✓ Bungalow
- ✓ House and many other uses

The Settler is unique as it is maintenance free with fully galvanised purlin rafters, square hollow section columns and includes galvanised stud internal walls.

The Steelcorp Settler has many cladding options:

- ✓ Monopanel (which give rustic effect of weatherboards and adds to it's bush hut appeal)
- ✓ Horizontal Corri or
- ✓ Garage Panel

The Steelcorp Settler can be custom built to suit the customer's needs, therefore giving scope for many different styles and dimensions.
