5 REASONS

TO TRUST US WITH YOUR NEXT BUILD

Strength

We manufacture our certified structures in-house and our work is backed by a lifetime structural guarantee. We don't take shortcuts.

Experience

We have more than 100 years of combined experience in the design and construction of steel structures. You can trust us to get it right.

Flexibility

We design and construct a range of custom structures suited to your needs. No two structures are identical and we respect that.

Aussie Proud

We are Australian owned and operated. We manufacture our structures with materials sourced from Australian suppliers. Steelcorp... it's Australian for shed.

Communication

We understand the importance of clear communication. From concept to completion, we are available to guide you each step of the process.
